

Words With Friends W-E-R-Ks Player and Pop Culture-Inspired Lingo into All-New Social Dictionary

September 19, 2017

In celebration of the game's 8th anniversary, Social Dictionary will add 50,000 new words in-game, including H-A-N-G-R-Y and B-E-S-T-I-E

SAN FRANCISCO, Sept. 19, 2017 (GLOBE NEWSWIRE) -- Today, Zynga (Nasdaq:ZNGA), a leading social game developer, announced the launch of the *Words With Friends* Social Dictionary – introducing 50,000 new words into the world's most popular mobile word game. Inspired by players and the best of pop culture, the *Words With Friends* Social Dictionary gives fans of the iconic word game more ways to play than ever before.

Alongside the top fan picks, the Social Dictionary includes new pop culture playable words such as:

- Bae
- Bestie
- BFF
- Fitspo
- FOMO
- Hangry
- Kween
- Smize
- TFW
- Turnt
- Werk
- Yas

"In addition to being the place that millions of people connect with friends and family, over the past eight years *Words With Friends* has proven to be a leading authority on words that start conversations across generations and geographies," said Bernard Kim, President of Publishing, Zynga. "In response to the thousands of word requests we get from our players every day, we're excited to introduce the *Words With Friends* Social Dictionary to bring even more ways for our fans to interact with the words they love. Whether it's player favorites like Qi and Queso, or words that are trending around the world, such as FOMO and Hangry, we want to give our players more ways than ever before to play the words they use in every day conversations."

Celebrating its 8th anniversary this year, *Words With Friends* has been installed more than 200 million times and is one of the App Store's Top 10 free games of all time. Additional anniversary game stats that equates to eight years of wordplay include:

- In 2017, an estimated 57 million active *Words With Friends* games are being played around the world at any given time
- 555 billion letters have been played since *Words With Friends* launched in 2009
- The most played word, used more than 306 million times from 2016 – 2017 alone, goes to the two letter champion, Q-I
- Top requested words around the world include He (Spanish), Yen (German), Won (French), and Ja (Portuguese)
- In the longest distance single match, players were separated by 20,000 kilometers – nearly 4 times the distance from California to New York

The all-new Social Dictionary is available to play today in *Words With Friends* on the [App Store](#) and [Google Play](#). For more information on *Words With Friends*, visit the game's community channels on [Facebook](#), [Instagram](#) and [Twitter](#).
