## Zynga Unleashes New CSR Racing 2 Legends Feature

November 21, 2018

Iconic Blockbuster Cars In Automotive History Debut on the Race Track

SAN FRANCISCO--(BUSINESS WIRE)--Nov. 21, 2018-- Today, Zynga Inc. (Nasdaq: ZNGA), a leading social game developer, announced the launch of Legends, its biggest feature release to date in the world's most popular mobile drag racing game, *CSR Racing 2* (*CSR2*). Legends allows players to virtually experience restoring, customizing, and racing 16 legendary vehicles with superior power and performance, including the McLaren F1, Lamborghini Countach, Saleen S7 Twin Turbo, and Pontiac GTO "The Judge." These unforgettable icons, spanning the 1960s to late 2000s, will be brought back to their former glory and placed into direct competition with *CSR2*'s fleet of contemporary cars.

"True legends live forever and the cars we idolized in our youth stick with us throughout our lives," said Julian Widdows, Vice President of *CSR2*. "Our design team worked closely with our automotive manufacturing partners to select Legends cars that made their mark through quality engineering, meticulous design, and cultural cache, allowing players to transport themselves into the driver's seat of these adored dream cars only in *CSR2*."

The new *CSR2* Legends feature will ramp over time as players work towards the ultimate goal of unlocking the McLaren F1, considered to be one of the finest supercars ever produced, by first restoring and racing 15 different Legends cars. Brand new feature mechanics and multiplayer competitions, including the Daily Legends Cups, keeps drivers engaged as they get closer to the supreme triumph of adding the McLaren F1 to their virtual garage.

From the palm of their hands, players experience the true-to-life details of the McLaren F1, from its distinct central steering setup to its beautiful aerodynamic curves. In addition to the Lamborghini Countach, Saleen S7 Twin Turbo, and Pontiac GTO "The Judge," fan favorites including the Plymouth Hemi® Cuda, Chevrolet Corvette (C3) ZR1, and the Shelby Cobra-427 S/C are accessible to players starting today.

**The new *CSR2* Legends feature allows players to:**

- Collect some of the most essential cars from the 1960s, 70s, 80s, 90s, and 2000s to ever grace the road.
- Restore the classics in the brand-new Legends workshop and transform them to pristine condition.
- Place fully restored virtual cars into real-world environments and get a 360-degree view with *CSR2*'s next generation augmented reality experience, AR Mode.

- Compete against the modern day titans of racing in exhilarating multiplayer action.
- Battle in Daily Legends Cups and rule the leaderboard with your masterful driving skills.
- Use your roster of legendary cars to take down a brand new single player campaign.
- Prove yourself worthy of owning the ultimate classic ride, the beloved McLaren F1, by restoring 15 legendary cars to the highest standards.

*CSR2* is available to download for free on the App Store for iPhone and iPad and Google Play. For more information about *CSR2*, visit the game's community channels on [Facebook](#), [Twitter](#), [Instagram](#), and [YouTube](#).
