"Bengaluru is a central hub for game development with talented professionals who drive innovation," said Matt Bromberg, COO at Zynga. "It is also home to passionate gamers who love to play and build great products. Harnessing this combined passion and talent will further fuel the studio and Zynga as a key development leader in India."

Zynga's India studio currently has exciting career openings across Product Management, Engineering, UI/UX, Game Design, Art, Animation, Audio, Production, Marketing and Content Services and is actively seeking talent across experience levels. More information about all open positions can be found here: <https://www.zynga.com/international-location/bengaluru-india/>
